

Beyond Labels & Limitations

"What Is Your Life Devoted To"

Come and support John Graybill II and his organization Beyond Labels & Limitations raise money for Limb-Girdle Muscular Dystrophy 2A. For more Information, please visit www.BeyondLabelsLimitations.com

Beyond Labels & Limitations, an organization established out of one man's willingness to not accept what physicians deem "the normal course of progression". Beyond Labels & Limitations is more than a company's name, it's a way of life. While labels are important for classifying very real and important diseases in this world, Beyond Labels & Limitations examines the labels as a "section" of the entity instead of the entity, when it comes to beings.

The purpose of this site is to raise money for research dedicated exclusively to Limb-Girdle Muscular Dystrophy 2A and to educate on the disease course and associated struggles of Limb-Girdle Muscular Dystrophy 2A, as recounted through my personal experiences.

All proceeds from Dine-to-Donate will be donated to "The Speak Foundation" 2010 Speak Conference in Atlanta Georgia, which conducts annual retreats for persons with neuromuscular diseases. The proceeds will help support individuals with LGMD attend who would otherwise be unable to due to financial reasons. Visit www.thespeakfoundation.com to learn more about the 2010 Retreat.
